Summary

Experienced Executive Manager with a demonstrated history of working in the management consulting industry. Skilled in Site Acquisition, Land Management, Analytical Skills, Sales, Construction Drawings, Construction Law. Strong business development professional with a Licentiate degree focused in Automation Engineering from Universitatea Valahia Targoviste.

In the last year, I became passionate about back-end programming (IntelliJIDEA, VisualStudioCode, NodeJs) reason for what I enrolled in two courses:

- The Complete JavaScript Course 2022: From Zero to Expert!
- Java Programming Masterclass covering Java 11 & Java 17.
